GRACELAND: An Elvis Presley Tribute

JUNE 29th

Graceland, a San Diego based Elvis tribute band is unlike any other tribute band seen before. This eclectic mix of personality, coupled with great musical talent and showmanship will leave an audience member with a newfound addiction.

Graceland recently played the Twilight concert series at Balboa Park in San Diego, opening with "I Got a Woman," shaking things up right away. "TNT" better known as Elvis, shaken, rattled and rolled with every rhythm of the guitar played by Gary Mayer.

Formed in the fall of 2007, the band consists of five members: TNT (Elvis), Aaron Magers (keyboards), Don Lafave (drums), Gary Meyer (lead guitar), and Virgil Johnson (bass guitar). TNT has won first place at Dick's Last Resort's Elvis competition three years in a row, proving why he is the King. His talent, mixed with good looks, signature moves and improv throughout the performance proved why he is a great Elvis.
